Refer to the PR 40/45 dt 24.4.46 from the President T.A.F. forwarding particulars.

The President reports that the excess cost would be only Rs 63/- by the current year end it may even come down to Rs 4980 & Chairman thinks it not in the appointment. The provision is stated to have been made in the Budget. The views of the Excess rates charged by the Bikaner, the enhanced conveyance allowance may perhaps be sanctioned.

Subject:- Enhancement of conveyance allowance to the ministerial officials of the Board.

Sir,

With reference to your letter no. 10300 dated 6-4-1946 calling for certain information on the above subject, I have the honour to state that officials holding the marginally noted posts are being paid conveyance allowance towards to and fro charges of Rs. from Bangalore city and that the names of officials who are working now and are being granted conveyance allowance are mentioned in the margin. Of these, the posts of stenographer and Laboratory attender are now vacant. A sum of Rs.40/- is allotted for this purpose in the budget for the current year. If the conveyance allowance is enhanced to Rs.6-8-0 per month, the total cost will be Rs.103/-, the additional cost would be Rs. - for this year. But as actually there are only five officials working now and one more is likely to be appointed this month, the actual additional cost will be Rs.49-8-0. This amount will be met out of the savings under conveyance allowance allotted for this year.
